

COVID-19: Bowls Scotland Update – Thursday 20th August 2020

After today's First Minister announcement we can confirm to our member clubs that there are unfortunately no further changes to our Phase Three guidelines at this current time.

We are liaising with **sportscotland** and the Scottish Government to seek more clarity on the confirmed date given of Monday 31st August for indoor sports facilities and how this will apply to lawn bowls and our clubs. Once we have received confirmation, we hope to provide our clubs with a further update next week and reflect any changes in our Phase Three Guidance and FAQs.

Our most up-to-date Phase Three Guidance Document & FAQ's can be found on our website here - <https://www.bowlsscotland.com/clubs/club-support-covid-19>

Bowls Scotland would like to remind our clubs to continue to follow these guidelines to ensure the safety of all bowlers throughout Scotland. This will allow more restrictions to be eased on our great sport in the coming weeks.
